

To whom it may concern:I am writing to you to tell you how much I value the XM Satelite Radio service that I pay for. It provides me wiht variety and quality that I can not get elsewhere while living in small town USA. Becasue I pay for these services, I do not think it is fair for the NAB to dictate what I am permitted to hear. I am an adult and am capable of doing that myself. I respectfully urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I demand and deserve.  
Respectfully,
